

Office Closure & How to Connect with US

The IWK Foundation has now transitioned to working remotely from home to help do our part in decreasing the spread of COVID-19.

Please don't hesitate to reach out to us via phone, email or online. All messages will be checked frequently throughout the day and we will continue to respond to any inquiries as quickly as possible. All phone messages will initially be returned by Jeff Hunter, Manager, Human Resources, who will then direct your inquiry to the appropriate member of the IWK Foundation team. Also, please note that there may be a slight delay in processing and receipting any donations that have been mailed in but we will make every effort to be as efficient as possible during this time. Our online donation platform is fully operational.

The IWK Foundation is extremely grateful for your continued support of Maritime women and children over this past year. There has never been a more important time for us to come together as a community. Stay healthy and safe and together we will come through this challenging time stronger and better than ever before.
